Seasol®

THE SEAWEED SOLUTION

COMPLETE GARDEN HEALTH TREATMENT

SHAKE WELL BEFORE USE.
ALL YEAR ROUND PLANT HEALTH.

- **Seasol** is a seaweed extract, therefore it is safe on all plants, including natives, flowering and fruiting plants and seedlings.
- **Seasol** provides your whole garden with a dynamic health treatment and regular applications will give best results. Being completely natural, it can be used all year round.
- **Seasol** is a fast acting liquid which goes to work immediately and is effective whether applied directly to the soil or the foliage.

FREQUENCY OF USE:
Apply every 2 – 4 weeks all year round.

EASY AND FAST APPLICATION.
Each 2 Litres pack treats 100SQM within 10 minutes approx.
(Adjust the timing by increasing or decreasing water pressure.)

WATERING CAN APPLICATION. This solution is formulated for hose-end application. If required, it can be diluted for watering can application at a rate of 80mL for seedlings to 200mL for established plants & lawns per 9 litres of water.

SAFETY DIRECTIONS. Not to be taken.
Keep out of reach from children. May irritate skin and eyes. Wash hands after use. Wash all edible plants before eating.

CAUTION.
Due to the natural ingredients of the product, please avoid contact with porous surfaces. If contact is made, wash off immediately with water.

THIS IS A RE-USABLE HOSE ON PACK. If you wish to re-use this pack, simply remove spray nozzle and mix in 500ml of **Seasol the Seaweed Solution** concentrate and then top up with 1.5 litres of water. For an extra boost in the growing season, mix 500mL of **PowerFeed Liquid Plant Food** concentrate together with 500mL of **Seasol** concentrate and then top up with a litre of water.

EASY TO USE SPRAY NOZZLE

1. To use spray nozzle, insert plastic straw (included in this pack) firmly into the underside of nozzle, remove cap and attach to bottle.
2. Connect hose and turn tap on to a medium pressure.
3. Lift up the plastic plug and soak garden thoroughly.
4. To cease operation, push down the plastic plug and turn off the tap.
